ACKNOWLEDGEMENT

We extend our deepest and heartfelt gratitude to all who provided generous support, cooperation,

and attendance for the "HALINA'T MAKISAYA SA KAMATA."

The event, which was held over four days starting on October 31st, successfully concluded to great

acclaim, welcoming approximately 20,000 visitors.

This success is entirely attributable to the cooperation of the Tourism Section, Migrant Workers Office,

and Agriculture Section of the Embassy of the Republic of the Philippines, the nominal support

(\$kōen\$) of Ota City, and the substantial sponsorship received from our partners, whose support

powerfully drove the event to success. We express our profound thanks.

Since 2018, our organization has been actively engaged in promoting Japan-Philippines friendship and

mutual understanding, striving to share the beauty and joy of the Philippines with as many people as

possible. Following our expansion into various regions last year, our efforts have become widely

recognized, both domestically and internationally, as a non-governmental international goodwill and

friendship event organized by Japanese and Filipino volunteers.

We are confident that, thanks to the cooperation of the local community, holding the event in the prime

location of the West Exit Plaza of JR Kamata Station allowed us to offer a valuable opportunity for

more Japanese residents than ever before to personally experience the charm of the Philippines.

Taking this success as a firm foundation, we are committed to striving for an even more fulfilling event

next year that will exceed your expectations. Furthermore, we intend to steadily advance toward

realizing our dream of holding this festival across the entire nation.

We sincerely ask for your continued anticipation and support.

Maraming salamat po sa inyong suporta!
