新たな日比交流の窓口「葛飾区」へ

私たちは、日本人にフィリピンを紹介し、フィリピンを疑似体験するイベントとして、毎年六月に上野恩賜公園で「フィリピンエキスポ」を開催してきました。今回葛飾区で開催する日比友好「歌と踊りの祭典 in 亀有」は、新たな試みとして企画されたイベントです。全国各地に在住するフィリピン人の皆さんから、「地方都市でもフィリピンエキスポを開催して欲しい」との要望が寄せられているのです。この要望に応えるために、葛飾区亀有で開催するイベントは、新たなパッケージとして、参加型の企画を目指すこととしました。

いつの日にか、この亀有型イベントを全国で心待ちしているフィリピンの皆さんにお届けすることができるとすれば、私たちはなお一層力が入ります。

日本とフィリピンの関係は、私たちが想像する以上に長く深い歴史があります。黒潮に乗り南西諸島を渡って日本にたどり着き、逆に日本から南洋に冒険の船を出すといった相互交流の歴史だったはずです。

令和の日本では、政府方針により新たな両国の歴史が刻まれようとしています。準同盟国として安全保障の協力はもちろんのこと、今後五年の間に、フィリピンから多くの友人たちが日本に来ます。ところが私たち日本人の多くはフィリピンの実情を知らないのです。フィリピンは決して危ない汚い国ではありません。

フィリピンの美しい自然と楽しい文化を日本に紹介するために、このイベントを通して日比の民間交流の輪を葛飾区に広めて行きたいと考えています。

We have been holding the "Philippine EXPO" every June at Ueno Onshi Park as an event to introduce the Philippines to Japanese people and to simulate the Philippines. The Japan-Philippines Friendship "KANTAHAN AT SAYAWAN SA KAMEARI" to be held in Katsushika-ku this time is an event planned as a new attempt. We have received requests from Filipinos living in various parts of Japan to hold a Philippine EXPO in a local city as well. In order to respond to this request, we have decided to hold the event in Kameari, Katsushika-ku, as a new attempt to create a participatory event. If we can one day deliver this Kameari type event to the Filipinos who are eagerly waiting for it all over the country, it will further strengthen our activities. The relationship between Japan and the Philippines has a longer and deeper history than we can imagine. It must have been a history of mutual exchanges, with the Kuroshio Current taking people across the Nansei Islands to reach Japan, and vice versa, with Japan sending adventurous vessels out to the Philippines.

In Japan in 2024, a new history between our two countries is about to be written by the government policy. As a quasi-allied country, we will of course cooperate in security, and many friends from the Philippines will come to Japan over the next five years. However, many of us Japanese do not know what is really going on in the Philippines. The Philippines is not a dangerous and dirty country. We would like to introduce the beautiful nature and fun culture of the Philippines to Japan, and through this event, we would like to promote private exchange between Japan and the Philippines.□

「一般社団法人フィリピンエキスポ」について

【理念】

私たちの理念は、日比の交流を深めて海洋アジアの平和と繁栄を実現することにあります。

日比両国民は、太古から深い関係を持ってきました。私たちは、言語や文化はもちろんのこと、商業や人的交流を通じて、お互いに大きな影響を受けてきました。

19世紀には、わが国では明治維新、フィリピンではフィリピン共和国の独立という出来事があり、現在に至っています。そうした中で、国家間の関係によって、交流が途絶えたり、戦禍に巻き込まれたりという不幸な時代も経験しました。

フィリピンは、他のアジア諸国と同様に、いわゆるプランテーション経済によって、何百年の間、国富が海外に流失した結果、豊かな資源に恵まれながら、経済的な発展を阻まれてきました。

しかし、私たちの長い関係からすれば、この数百年は、ほんの瞬に過ぎません。私たちがお互いを深く理解して助け合うことによって、きっと素晴らしい未来が訪れるものと信じています。

About The Philippine EXPO

PHILOSOPHY

Our philosophy is to promote and strengthen the friendship, goodwill and cooperation between Japan and the Philippines to achieve sustainable peace and mutual prosperity for maritime Asia.

The people of Japan and the Philippines were already closely connected since time immemorial. And thus, undeniably, we have been influencing each other significantly, not only in language and culture, but also through commercial exchange. We both had the biggest events which were the Meiji Restoration in Japan and the independence of the Republic of the Philippines in the 19th century. In the midst of these, we have experienced that our relationship had been resulted in the breakdown of exchanges.

Despite its rich natural resources, the Philippines, like other Asian countries has been hampered in its economic development as a result of centuries of wealth being lost abroad due, because of the so-called Plantation economy. However, in the context of our long relationship, these hundreds of years in destitutions become a mere blink of an eye.
